Two absentee ballots were declared invalid. One was not properly marked and the other had been returned in the wrong envelope.

The judge's certificate from Sheep Mountain had incorrectly listed a total vote of 128 instead of 36 as shown in the voting register.

This completed the canvassing of the ballots. The totals were certified by the Assembly as correct and the election was declared validly held.

Hermann moved for adjournment and with no objections the meeting was adjourned at 11:05 p.m.
